The board shall also nominate a fully paid-up individual member of The Society of not less than fifteen years standing who may be another member of the Disciplinary Panel but who shall not be a member of the General Council Board to present the case.

(e) Within seven days of the meeting of the board the Society Administrator shall notify the member against whom the allegation has been made of the decision of that board. In a case where the board has decided the case and imposed a penalty the appeals procedure set out in (n) and (o) below shall apply. In any other case the following paragraphs shall apply.

(f) The Society Administrator shall notify the member against whom the complaint has been made of the names of the Disciplinary Panel nominated to hear the complaint and the member shall have seven days from receipt in which to enter an objection to any one or more of them on the ground that any of them has a conflict of interest. Any such objection shall be referred to a member of the General Council Board nominated for that purpose or in the absence of such member to the Chairman of the General Council who shall nominate a replacement member or members of the Disciplinary Panel if he thinks fit. The decision of the member or the Chairman as to whether to replace the Disciplinary Panel member objected to shall be final.

(g) Prior to the hearing of the complaint the members of the Disciplinary Panel nominated to hear the complaint, the complainant, the member nominated to present the complaint and the member against whom the complaint has been made shall be given copies of all documents which are intended to be relied on at the hearing and the Panel may make directions as to the obtaining of such further evidence or information as they think necessary.

(h) Both the complainant and the member against whom the complaint has been made shall be given not less than fourteen days' notice of the hearing, the date, time and place of which shall be set by the nominated members of the Disciplinary Panel, and shall be entitled to be present at the hearing of the complaint and to call witnesses at their own expense but subject to (s) below.

(i) The costs of attending the hearing incurred by the member nominated to present the complaint and of all witnesses asked to attend by the Panel or by that member shall be paid by The Society on the same basis as expenses of members of the General Council.

(j) The hearing by the Disciplinary Panel shall be governed by the rules of natural justice but subject thereto the Panel may admit any evidence it thinks relevant, whether oral or in writing and whether or not admissible in a Court of Law, but shall be entitled to refuse to hear evidence given by a person with no direct knowledge of the matters of which evidence is to be given if satisfied that no reasonable attempt has been made to obtain evidence from a person with direct knowledge.

(k) A tape recording shall be made of all oral evidence given at the hearing.

(l) If the panel finds the allegation proved to the satisfaction of all members or a majority of such members the panel shall impose a penalty in accordance with rule 23.

(m) Save where the member against whom the complaint was made was present when the panel gave their decision and imposed any penalty such member shall be given written notice of the decision and any penalty.

(n) Any member found guilty of an offence of misconduct for which a penalty of a fine exceeding £500.00 or suspension from some or all of the privileges of membership excluding any order made under rule 23(c) or expulsion has been imposed may within twenty eight days of being notified of the decision of the panel appeal against that decision or against the penalty imposed on any one or more of the following grounds.

- (i) that the panel failed to take into account relevant evidence or
- (ii) took irrelevant evidence into account or

(iii) that the decision was one which no reasonable tribunal could have come to on the evidence available or

(iv) that further relevant evidence has been discovered which could not with due diligence have been obtained prior to the hearing of the complaint or

(v) that the penalty was wholly unreasonable having regard to the gravity of the offence and any previous offences committed in the previous five years.

Notice of appeal shall be given to the Society Administrator in writing stating the grounds on which the appeal is being made.

(o) The appeal shall be heard by two from the President, the President Elect and the Vice President of The Society, if for any reason two or more of them are unable to act, then a replacement or replacements shall be nominated by the President from the Disciplinary Panel not being elected members of the General Council Board or the members of the Disciplinary Panel nominated under rule 24(c) and any appeal shall be heard not later than fifty six days from receipt of the Notice of Appeal. Both the Appellant and the original Complainant shall be given not less than fourteen days notice of the date of the hearing and shall be entitled to attend the hearing at their own expense with or without a Solicitor and to address the appeals tribunal but no further evidence or information shall be placed before the appeals tribunal unless the tribunal is satisfied that such further evidence or information is relevant and could not have been obtained prior to the original hearing. The appeals tribunal may uphold the original decision or penalty or vary or overrule the same but the appeals tribunal shall give no reasons for their decision and that decision shall be final.

(p) After the time for making an appeal has passed without an appeal being made or any appeal made within time has been determined, The Society shall be entitled to publish the details of the complaint, the final decision and any penalty imposed.

(q) All notices required to be given under this rule shall be sent by recorded delivery to the address last notified to The Society in accordance with rule 5(f).

(r) Where any notice required to be given under this rule is not delivered because the recipient has vacated the address without notifying The Society of any new address, or the General Council Board, the Disciplinary Panel nominated to hear the complaints or Appeal Tribunal as the case may be considers that there is evidence that the proposed recipient is avoiding service of the notice, such further steps may be taken to bring the matter to the notice of the recipient as they may direct and subject to taking such steps the complaint or appeal shall be dealt with in accordance with the above rules as if the person against whom the complaint has been made has had proper notice and elected not to appear.

(s) Notwithstanding anything previously contained the Disciplinary Panel and the Appeals Tribunal shall have power to direct that the costs of any person appearing before them in any capacity shall be paid by The Society in whole or in part.

(t) If a complaint is made about any member of the General Council Board, they shall not participate in any meeting of the General Council Board considering the complaint nor discuss it informally with any member of the Disciplinary Panel or Appeal Panel.
